# HEALTHCARE PLANS MADE EASY

Seamless healthcare benefit options are now available through iOneMed. We believe in simplifying the entire healthcare benefits market, from benefit design to member experience. Want to know what we mean by simple? How about finally having ONE ID CARD for ALL of your healthcare benefits.

iOneMed is offering ERISA-qualified self-funded plans to groups of 10 employees or more, designed to provide high quality benefits with world class administration to create a first class benefit option.

With three plan categories and seamless possibilities iOneMed saves your company money and delivers control over your healthcare spending.

## LEVEL FUNDED HEALTH PLANS

### 10-50 LIVES

Customize your healthcare plan with out-of-the box options

Access your healthcare data through a state-of-the-art analytics portal

Receive 100% of your claim reserves at the end of the year when actuals are less than projected expenses

## LEVEL FUNDED TO SELF-FUNDED HEALTH PLANS

### 51-150 LIVES

Set monthly premiums or variable premiums based on claims payments

Guidance and counsel from one of the largest benefits administrators in the country

Plans include choices for Networks, Rx Plans, Care Management and Wellness

Simplification for members and groups through the most integrated approach in the marketplace

## COMPLETELY SELF-FUNDED HEALTH PLANS

### 150+ LIVES

Complete control over your healthcare plan designs to fit your company's needs

Transparent data with set reporting options or customized capabilities

Options ranging from National PPOs to Reference Based Pricing Plans
